Old English Sheepdog and Owners' Club Of Canada

Code of Ethics

1. The members of the Old English Sheepdog & Owners" Club, Canada in order to protect and promote the advancement and proper breeding and showing of Old English Sheepdogs, as well as ethical kennel practices, do hereby set forth this Code of Ethics. When confronted with a situation not covered in this agreement, you shall conduct yourself as you would expect to be treated under similar circumstances.
2. All Old English Sheepdogs shall be sold in good condition and health at the time of delivery. The dog, to the best of our knowledge will be free of internal parasites and will have protection against distemper, hepatitis, and leptospirosis, as determined by a licensed veterinarian. A record will be furnished as to the dates given and the type used of the immunization shots and worm medicine and results of nomograph tests if performed. A health certificate signed by a qualified veterinarian or kennel owner will accompany the dog at the time of delivery. Written instructions shall be provided to the buyer on feeding, health, training, and grooming for the adequate care of puppy or dog. We shall sell only dogs which display sound temperament at the time of deliver.
3. We shall guarantee our dogs against the following hereditary faults: hip dysplasia or subluxation, monorchidism or (cryptorchidism). We suggest a contract between buyer and breeder which will cover any of these faults which are manifested up to the age of 2 years. We shall not sell dogs with the above hereditary faults without making the prospective buyer fully aware of said fault in writing.
4. Registrations and pedigrees must be accurate and valid and no registration may be sold independently of the animal. Pedigrees should be supplied to the owners as quickly as possible.
5. Old English Sheepdogs may not be sold from roadway stands, or transient headquarters or wholesale (such as to pet shops, wholesale dealers, or contest sponsors, etc.)
6. All advertising shall be of an honest and forthright nature and may not in any way be misleading.
7. All males at stud shall be in good health and physical condition and free from any disqualifying faults. A written stud contract is suggested.
8. We shall not knowingly breed dogs which have or are suspected to have congenital hip dysplasia. Both the dog and bitch shall be certified by OVC or OFA or be evaluated at not less than the 50th percentile by PennHIP as well as having current eye certification registered with CERF.
9. We shall use only dogs for breeding which are temperamentally sound, refraining from the use of timid, nervous, or vicious animals.
10. It is the responsibility of the stud dog owner to properly provide for all visiting bitches and breed them only to the stud dog specified by her owner. A change of stud dog is only permitted with the express consent of the owner of the bitch, in writing.
11. We shall not use dogs at stud which have not reached the age of 18 months.
12. It is highly recommended that females reach the age of 24 months before being bred for the first time. However if circumstances dictate an earlier breeding, the female must be no younger than 18 months and have the required health certifications specified in Section 8. Normally bitches are bred every other season, with a minimum of 5 months between seasons.
13. We shall not show dogs or be a party to showing dogs which are not cleaned and properly groomed for the show ring. We shall discourage the use of excessive grooming, including trimming, teasing, and the use of foreign substances. Judges should be encouraged to use our specific breed standard and 100 point scale when evaluating our breed.
14. Good sportsmanship shall be advanced by all members.

I hereby acknowledge that I have read and agree to abide by this Code of Ethics.
